EDITORS NOTE TO ALL MY BELOVED READERS

I was unaware OF THE STATIONS OF RESURRECTION until during this quarantine I started watching EWTN. I have come to like certain priest who does the daily Mass. Recently in a Homily Father spoke of these, so I goggled it. I have not sat and watched yet but will this week. I believe God is calling us to get back to basics and put God back in first place of our lives. During this time I find myself growing closer to God even without the sacraments. I encourage you to do the same. I am available to chat and pray with you should you like. One last note I am not doing our traditional newsletter this month. All business has been tabled. I am making a newsletter composed of short stories from the Ladies and Friends of Auxiliary 903. This is my attempt to keep us connected and help us grow our faith. May the Joy and Peace of Easter be with you and yours during these changing trying times of 2020. May it always remain with your Spirit!

God Bless

PREZ LENCZ ITTLE BITZ

Hello Ladies,

This is your goofy president! Yes I am like everyone else, staying at home and trying to be good. W E L L, we know how hard that is for me. Today is Sunday, I got up and watched church. Then fixed breakfast, biscuit and gravy, warm up two cinnamon rolls, and then cook some eggs. Not just any eggs, I made them round eggs ! You say how do you make round eggs, well , you put your biscuit cutter in the frying pan and you drop your egg in the middle of the cutter, they were round just like McDonalds. HaHa. Then I decided I should dress up a little bit, and look nice today. Then I walked around my yard so all the bird could see me dressed up. Yes, I have gone off my rocker. I hope everyone is doing well, and staying safe as you can. Maria, I hope you are staying safe, with being around the public. I want to thank all of you for your prayer and little notes you sent me. I am sorry I didn't always answer right away, they meant a lot to me. Again thanks everyone for the prayerful support all test came back clear. I will leave you with

MY DAILY PRAYER

If I can do some good today,

If I can serve along life's way,

If I can something helpful say,

LORD, SHOW ME HOW.

If I can right a human wrong,

If I can help to make one strong,

If I can cheer with smile or song,

LORD, SHOW ME HOW.

If I can aid one in distress,

If I can make a burden less,

If I can spread more happiness,

LORD, SHOW ME HOW.

NEWS FROM AROUND THE TOWN

MEMBER HEIDI BARKS REPORTS

Heidi reports that she misses her hugs from her grandchildren. Heidi states that she gets bored and goes for a drive wearing her mask and waves to her neighbors and friends. Heidi also sent me this to share
As I sit here thinking how can I make a difference so what came to mind all the People that have no jobs or is going to lose their jobs how are they going to eat and live
Saint Vincent de Paul could be running short of supplies so I posted signs in my yard hoping my neighbors will donate and contacted Neighborhood block captains to contact their neighborhood by email so they could donate and help Saint Vincent de Paul I heard it helped and I hope it continues.

Thank you Heidi!

MEMBER KAREN BISH CHECK IN

Karen also missing her family, and the time she spends watching her grandkids. Karen stated she keeps busy working on puzzles doing yard work and cleaning. Karen drives by and keeps her distance but at least puts eyes on the joys of her life.

WE ARE NEVER TOO OLD TO LEARN NEW THINGS

Barb Klockener says she is working from home on a laptop and learning copy and paste in documents. Barb misses the smiles and voices of her co workers everyday, and praying for an end to all this and people can return safely to life with new faith and goodness in our God!

I HAVE NEVER SEEN ANYTHING LIKE THIS!

Member Virginia Rafferty said I've never seen anything like this before. She keeps busy working puzzles, watching Television and texting family and friends. Virginia and Kathy talked on the phone for a while and Virginia stated how strange the funeral for Ed Langhammer was. A memorial Mass for Ed will be said in July on his birthday. Watch for more later May Ed rest in peace.

“WORSE THAN THE WORLD WAR”

Member Linda Amend recently stated to me that she cant remember when things were this bad, even during WWII, when she was small and lived at her Grandmother’s home. Linda loves to talk on the phone and would love to hear from you. Linda is doing well, but not to happy about having to stay home. She told Kathy she misses everyone and going to the store and Sunday Supper at Kathy’s.

A ‘SPECIAL’ EASTER

Connie shared she and Johnnie tried to make Easter special by watching Masses from around the globe. Connie also stated that Scott and Kieren came by for a wave from the street from their bikes. Kieren wanted to show her new bike she got for Easter. Made their day! Sylvia and Kelly came by for a wave from the driveway.

COUNTING THE BLESSINGS....

Member Nancy Maurer is counting her Blessings during the stay home orders. Nancy is thankful that her sons work where they are safe, and Kathy and Richard are home. Nancy and Kathy enjoy family nights, working together to make meals, watch movies, and play board games or cards. Nancy is grateful for all being healthy.

RAPPING WITH RASKE’S

I have received an email from Tina. She and Jerry are well and working. Nothing new to share. Good to know the are safe and as Tina said “Blessed”.

COFFEE WITH KATHY

Kathy is grateful for so much! The health of her family and friends. The chance to do many things from her “when I get time list”, calling and texting many old friends she has been meaning call, cleaning clutter, and doing yard work. Mostly I am thankful for the much-needed time with family. I am thankful for a secure job that keeps the bills paid. As I stated earlier I find it peaceful to sit and watch Mass and be quiet to listen to God. But things are changing so much, Richard planned to retire June 1, but it appears he is now retired, and he is trying to adjust. Kathy is both sad and happy for her youngest, Andrea, this was her senior year. Andrea is missing out on many things, Andrea is keeping up with her schoolwork and made the Post Dispatch “A” list for Nerinx Hall. I miss all of you and all the good works we do. I pray for all of us everyday.
