**PREZ LENCZ ITTLE BITS**

Ladies,

I was sorry to miss the drive by for ALS, at Johnny and Connie House.

Unfortunately, Cheryl (my daughter-in-law) father passed away, and the funeral was Saturday. But I did enjoy the pictures on Face book, Awesome job ladies. There looked like quiet a few cars went by.

We will not be have a installation dinner this year, according to our Grand Knight Bruce. I do hope everyone is staying safe. I hope each and everyone one of you have a happy forth of July.

May God Bless you all with good health, and happiness.

Eileen

**NEXT MEETING IS JULY 15 VIA ZOOM!** If something changes you will notified via email or text or phone call.

## **A L S DRIVE BY PARADE**

Saturday June 27, several Ladies from the Auxiliary, Some Brother Knights, family and friends of Connie and Johnnie Evans lined up their cars and motorcycles and the like and had a parade for ALS

We made signs for Johnnie's Angels and waved and honked to show our love and support for them. Several Immaculate Conception Parish members drove by as well. Joseph Johnson did an awesome job filming the parade and posting to facebook. Connie and Johnnie would like me to express their thanks for all the love and support from the Knights and Auxiliary. Hopefully next year we will walk in forest park again.

## **ANNUAL FIREFIGHTERS/POLICE OFFICERS APPRECIATION DINNER**

Member Heidi Barks emailed the Maplewood Fire Chief and with all the virus threat still so dominate in this summer, The Chief advised us to either do a curbside dinner or cancel until a later date. Auxiliary members voted to forego the event this year. We will pray for them and for an end to the virus. The Chief thanked us for our willingness to support them and stated that our thoughts are appreciated.

## **INSTALLATION DINNER**

By now you have figured out that most everything we do on an annual basis this time of year has been cancelled or put on hold. The installation dinner is no exception. The bright side is all officers in place are remaining in their office. We will continue to serve the auxiliary as we promised when we were installed last year. Stay Safe!

## **TRI-CITY SALE**

At this time we have no updated information on the sale. It is still on the books and we do have the Immaculate Conception Parish hall reserved for us. We will see what the situation is come late August and make a decision then. Stay tuned!
